## Aims and Scope:

**Comparative European Politics** arises out of a unique editorial partnership linking political scientists in Europe and North America. **Comparative European Politics** is a major international peer-reviewed journal on the comparative politics and political economy of the whole of contemporary Europe within and beyond the European Union, the processes of European integration and enlargement and the place of Europe and European states within international/global political and economic dynamics.

Spanning political science, international relations and global political economy, the journal provides an international and interdisciplinary forum for research, theory and debate.
