Print ISSN: 1470-8914 Online ISSN: 1476-9336  
Impact Factor: CPT has been recently accepted for coverage by Thomson Reuters Social Sciences Citation Index. Impact Factor will follow in due course.

## Aims and Scope:

Committed to excellence in scholarship and accessibility, **Contemporary Political Theory** is a significant and distinctive addition to the top rank of international, peer-reviewed journals in political philosophy and theory. **Contemporary Political Theory** reflects the diversity of the subject by encompassing a wide range of approaches and a rich selection of styles.

The central focus of **CPT** is on publishing contributions to contemporary theory, though informed by historical experience with submissions on past thinkers and thought welcomed where they bear upon current philosophical and political concerns.

## Online Features and Site License Access:

- Online archive available back to 2002.
- A Site License provides access to all content published during the supply period. Access is granted to a further rolling four-year archive where available during the supply period only. Archive content not included in the license agreement is available to purchase.
