Editor-in-Chief: Chaomei Chen, Drexel University, USA

2010: VOLUME 9 • 4 ISSUES PER VOLUME

Print ISSN: 1473-8716 Online ISSN: 1473-8724

Impact Factor: IVS has been recently accepted for coverage by Thomson Reuters Social Sciences Citation Index. Impact Factor will follow in due course.

Aims and Scope:

Information Visualization is an international, peer-reviewed journal publishing articles on fundamental research and applications of information visualization. The journal acts as a dedicated forum for the theories, methodologies, techniques and evaluations of information visualization and its applications.

The journal is a core vehicle for developing a generic research agenda for the field by identifying and developing the unique and significant aspects of information visualization. Emphasis is placed on interdisciplinary material and on the close connection between theory and practice

Online Features and Site License Access:

- Online archive available back to 2002.
- A Site License provides access to all content published during the supply period. Access is granted to a further rolling four-year archive where available during the supply period only. Archive content not included in the license agreement is available to purchase.
- Users benefit from all the online features outlined on page 5.
- **Information Visualization** is indexed and/or abstracted in: ACM Guide to Computing Literature; Applied Science and Technology Index; ABI/INFORM from ProQuest; Compendex; EMBASE (Elsevier); EMNursing (Elsevier); INSPEC Abstracts; Computer Abstracts International Database; CompuScience; DBLP Computer Science Bibliography; FLUIDEX (Elsevier); GEOBASE (Elsevier); (IBZ) - International Bibliography of Periodical Literature on the Humanities and Social Sciences; (IBR) - International Bibliography of Book Reviews of Scholarly Literature on the Humanities and Social Sciences; Information Science & Technology Abstracts; Library & Information Science Abstracts; Mosby Yearbooks (Elsevier); SCOPUS; SwetsWise; OCLC; Infotrieve.
