Print ISSN: 1745-7904 Online ISSN: 1745-7912

Aims and Scope:

Journal of Medical Marketing is the leading international journal for executives performing a marketing or commercial role at every company producing pharmaceuticals, medical devices or diagnostic equipment for the medical industry. It aims to facilitate excellence in marketing and strategic management in the pharmaceutical, medical device, diagnostic and other markets in which the customer is a clinician or related professional.

Each quarter the Journal contains a range of peer-reviewed papers, including both practitioner studies and leading edge academic research, covering the breadth of the industry.

Online Features and Site License Access:

- Online archive available back to 2000.
- A Site License provides access to all content published during the supply period. Access is granted to a further rolling four-year archive during the supply period only. Archive content not included in the licence agreement is available to purchase.
- Users benefit from all the online features outlined on pages 6-7.
- **Journal of Medical Marketing** is indexed and/or abstracted in: Association of Business Schools' Academic Journal Quality Guide (www.the-abs.org.uk); Thomson Gale; SwetsWise; OCLC; Infotrieve; ABI/INFORM and related ProQuest services; EBSCO.
