Organization Management Journal is the official journal of the Eastern Academy of Management.

Aims and Scope:

OMJ is designed as a forum for broad philosophical, social, and practical thought about management and organizing. It publishes articles that advance knowledge in the areas of management and organizational theory, research, education, and practice.

OMJ is international in scope, and is organized into six distinct sections: Current Empirical Research, Emerging Conceptual Scholarship, Teaching & Learning, Linking Theory & Practice, First Person Research, and Reviews & Research Of Note. Each section has its own editorial mission, editors, and review board.
