Aims and Scope:

Security Journal is a dynamic publication that keeps readers informed about the latest developments and techniques in security management. Written in an accessible style, it is the world’s premier peer-reviewed journal for today’s security researcher and professional. Security Journal publishes papers at the cutting edge in developing ideas and improving practice, focusing on the latest research findings on all aspects of security. Regular features include personal opinions and informed comment on key issues in security, as well as incisive reviews of books, videos and official reports.

Online Features:

• Online archive available back to 1999.
• Advance Online Publication – definitive, citable versions of papers (complete with DOI) available online ahead of print.
• Security Journal is indexed and/or abstracted in: Australian Research Council ERA Ranked Journals List; Criminal Justice Abstracts; Criminal Justice Periodicals; CSA Environmental Sciences & Pollution Management; Infotrieve; National Criminal Justice Reference Services; OCLC; PsycINFO; SCOPUS; Social Sciences Citation Index®; Sociological Abstracts; SwetsWise.
• Security Journal is included in Palgrave Open which offers authors of accepted papers the option to publish their articles with immediate open access upon publication. See page 53.
