

CALL FOR PAPERS

The Geneva Association Health and Ageing Research Program
is pleased to announce a

Special issue on Health in:

The Geneva Papers on Risk and Insurance – Issues and Practice

October 2010

We encourage you to submit contributions related to the following areas:

- ◆ The impact of integrating an ageing population in health insurance systems;
- ◆ New health technology and insurance;
- ◆ Development of health care systems and the capitalization debate;
- ◆ The interaction of public and private systems in health care provision;
- ◆ Insuring and managing long-term care risks;
- ◆ Health issues for an ageing population in the workplace;
- ◆ Climate change and its impact on health and insurance.

Suggestions for other topics will be considered by the editor.

All contributions will go through a refereeing process. Papers should be submitted electronically (Word or Adobe format only) by **1 February 2010** at the latest to Christophe Courbage (christophe_courbage@genevaassociation.org).

For further information on the *Geneva Papers*, visit its web site <http://www.palgrave-journals.com/gpp/>
