

COPYRIGHT ASSIGNMENT

It is our policy to ask all contributors to transfer to us the copyright in their contribution. By agreeing to this letter, you assign to us, in consideration of our agreeing to publish your contribution, the copyright in your contribution in all media throughout the world for the full term of the copyright. You may publish figures or other parts of the contribution, without asking permission, in connection with any other work by you, provided that you make the usual acknowledgement when so doing.

It is also our policy to request certain warranties from authors. These are as follows:

1. that you are the sole author of the contribution, or, if not, that you have the written authority of the other authors (whose names are listed below) to transfer the copyright to us and give these warranties;
2. that you and (where appropriate) the other authors are entitled to transfer the copyright to us and that no one else would be entitled to prevent us from publishing the contribution;
3. that all the facts in your contribution are true and accurate;
4. that the content of the contribution is entirely original to you (and where appropriate to the other authors) or, if not, the permission of the owner of the copyright in any material copied from elsewhere has been obtained for all media (all such permissions to be attached to this assignment);
5. that nothing in the contribution is obscene or libellous;
6. that nothing in the contribution infringes any duty of confidentiality which you/or the other authors may owe to anyone else.
