

*CALL FOR PAPERS*

**2<sup>nd</sup> QATEM Workshop**

**Quantitative Approaches in Tourism Economics and Management**

2 July 2010

Perpignan

France

QATEM 2010 is the second event under a workshop series on Quantitative Approaches in Tourism Economics and Management. The workshop is organized by University of Perpignan and will be held in Perpignan (France) on Friday 2 July 2010. By focusing on the theme of quantitative approaches in tourism economics and management, QATEM 2010 will provide an opportunity for gathering, analysing, and debating state-of-the-art academic research in this recent field of economic and management sciences. The scientific committee would welcome submissions on both parametric and non-parametric approaches. Theoretical contributions are also encouraged.

Publication: A selection of the papers presented at QATEM 2010 will be proposed for publication in an issue of the international journal *Tourism and Hospitality Research* (Palgrave Macmillan). The special issue published with papers from the 1<sup>st</sup> QATEM Workshop in 2008 is available here:
